For Autumn delivery.

First quality. True to name. Good growth power.

Every pound grown by ourselves in France.

We positively assert that we have never yet purchased, never yet have had grown for us, a single pound or ounce of vegetable or flower seed of any variety, in California or in any other part of the United States; we are in position to do our growing ourselves; our own stock seeds; under our own supervision.

Subject unsold.

Terms: F. O. B. Havre, or any French port of the Channel; payment net cash, three days' sight draft against documents, bill lading attached; draft to be presented by our bankers, American Express Co., New York.
